Crochet Accessories 20 Fashionable Crochet Projects Summer is here, and it s time to pull out the accessories to make it awesome. You have your shorts, your skirts, and your swimsuits, but it s time to bring out something a little cooler to heat things up in your looks department. There are times when that little scarf or that summer hat turns a few heads, or times when you just want that bracelet to bring out a pop of color in your day. But, the need to be unique and stand out from the crowd still slips in from time to time, and you know you want to embrace that full force. There are few things that make you feel great than when you know you look good and you feel good about yourself. A scarf, a bracelet, a hat. you name it. Even a handbag is enough to take your look to the next level, and when you make it yourself, you know you have the one and only. This book is going to show you how to make 20 different crochet projects for summer, all of them perfect for a day on the town, or for lounging about on the beach. You are going to love the options you find in this book, and the ease of making these projects. They make the perfect gift or the perfect accessory to any outfit you have. Forget the lines at the store, forget browsing for that perfect item to bring out your style. This book is going to show you everything you need to make any one of your own accessories, and make them your own. Have fun throwing...
