Dark Warning

By Marie Louise Fitzpatrick

Hachette Children's Group. Paperback. Book Condition: new. BRAND NEW, Dark Warning, Marie Louise Fitzpatrick, Ever since Taney was four she's known she could see things before they happened. She also knows that she must keep her gift a secret - at all costs. Teased and isolated by the local children for being strange, as Taney grows older, she has more and more questions. Why is her father so terrified of her gift? What happened to her mother? Then she meets the mysterious Billy, an outsider just as she is. Charming and attentive, Billy is the first person with whom Taney can simply be herself; with whom she can share her strange burden, and begin, instead, to feel proud of her ability. But then the visions come - lone girls attacked as they walk home at night. And as Billy begins to withdraw further into himself, Taney must ask herself who to trust - her only friend, or the visions that torment her dreams.
