AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.2013 marks the 100th anniversary of our federal income tax enacted in 1913. This book is based on sound legal research, court records, compelling exhibits and actual litigation by the author. To understand Our Tax-Apocalypse, the reader will discover that the federal income tax collected today is NOT the federal income tax enacted by the U.S. Congress in 1913 or defined by the U.S. Supreme Court in 1916. Driven by boundless arrogance, this special unauthorized income tax is possibly the root cause for the destruction of our freedom and our economy. Th e reader will also learn that there is a tangible remedy on the horizon IF the will of Th e People so chooses. Th e remedy is a simpler tax called Th e FairTax and it s designed to emancipate our citizens from acts of federal peonage and restore the prosperity of our economy so that Liberty and the Pursuit of Happiness are once again achievable goals for our future generations to come. When the government fears the people, there is liberty; when the people fear the government, there is tyranny. -Thomas Jefferson Thank you Michael Sawukaytis- Author.
