THE DESTRUCTION OF MEMORY: ARCHITECTURE AT WAR (2ND EXPANDED EDITION)

Reaktion Books. Paperback. Book Condition: new. BRAND NEW, The Destruction of Memory: Architecture at War (2nd Expanded edition), Robert Bevan, A decimated Shiite shrine in Iraq. The smoking World Trade Center site. The scorched cityscape of 1945 Dresden. Among the most indelible scars left by war is the destroyed landscapes, and such architectural devastation damages far more than mere buildings. Robert Bevan argues here "that shattered buildings are not merely "collateral damage," but rather calculated acts of cultural annihilation. From Hitler's Kristallnacht...

Reviews

The ideal ebook i actually study. It is among the most incredible book we have study. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Boyd Steuber**

A must buy book if you need to adding benefit. Of course, it is actually perform, still an interesting and amazing literature. I am delighted to explain how this is basically the best book i actually have read through during my individual life and may be he best book for at any time.
