John Wiley Sons Inc, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. A terrific and timely book that makes a compelling case for fundamentally rethinking how your business communicates. Recommended! -Jay Baer, founder of Convince Convert and author of Hug Your Haters Once upon a time, storytelling was confused with talking at people. Not anymore. Shane and Joe are your narrators in a journey that will transform how you talk to other human beings to be more believable, relevant, compelling and unforgettable. -Brian Solis, experience architect, digital anthropologist, best-selling author Shane Snow and Joe Lazauskas spend the overwhelming majority of their time thinking, writing, and theorizing about brand storytelling - so you don't have to. They're smart and they know this topic inside out (and sideways). Read their book. While I can't guarantee you'll rise to Shane and Joe's ridiculously obsessive level, you will be infinitely better prepared to tell your own brand's story. Promise! -Rebecca Lieb, Analyst, Author Advisor The Contently team understands the power of story, and how to craft and spread a great narrative, like no other. In an era where brand, design, and mission are a competitive advantage for every business, Contently underscores the importance of stories and how they transform companies and industries. -Scott Belsky, Entrepreneur, Investor, Author (Founder of Behance, bestselling author of Making Ideas Happen) I can't think of a better way to illustrate the power of story telling than by telling great stories. This book should be required reading not just by those with content in their titles, but by anyone in Marketing AND Sales. Then, when you're done, give it to your CEO to read. but make sure you get it back, because I guarantee you'll refer to...
