GERMAN RENAISSANCE MAN: GEORG HENISCH (1549-1616) AND HIS TIMES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Georg Henisch (1549-1618) was one of the most outstanding Renaissance men and humanists in sixteenth-century middle Europa. By the same token, he is practically unknown on the other side of Atlantic. Out of his 32 major and minor publications, only six found their way to Yale University's libraries, and a few others are scattered throughout other US universities. His name is not mentioned in major sixteenth-century source books written by American scholars except for credit given to him as an author of the first Thesaurus. The story starts (Chapter 1) in then upper Hungary, in a town then named Bartfeld. It was a rich town, then dominated by protestant German settlers, and governed by no-nonsense burghers who adhered to rigid moral standards and attempted to live their lives in fear of God and His judgment. Subsequently, the story moves to a parallel history of Augsburg, the town where Georg Henisch spent his entire adult life (1576-1618) and where he died and was buried. It is followed by a description of the education reform and its local implementation postulated by a Catholic Erasmus but fully implemented only by Lutheran followers (Chapter 3). Later, we move to the most outstanding sixteenth-century European university, that in Wittenberg, where our protagonist acquired his premedical education. It was, not by accident, the center where Martin Luther taught and preached and from where the German heresy spread like a wildfire through most of the Habsburg Empire and beyond (Chapters 4 and 5.) One of the students at Wittenberg was Georg Henisch's future employer, Hieronymus Wolf. His life, teachings, and writings had a profound impact on the development of Henisch's professional identity (Chapter...
