Penguin, New Delhi, India, 2004. Paperback. Book Condition: New. Dust Jacket Condition: New. First Edition. What if you were middle-aged and were offered the chance to trade in your sagging flesh for a much younger and more pleasing model? This is the situation in which the main character of The Body finds himself. Taking the plunge, he embarks on an odyssey of hedonism, but soon finds himself regretting what he has left behind, as the responsibilities he thought he has sloughed off now begin to come home to him. Sinister forces are pursuing him, wanting to take possession of his body, and he finds himself in a no mans land, uncertain which way to turn. In The Body, Hanif Kureishi plays with the idea of personal identity and the extent to which it is rooted in our physical being. This volume also contains a selection of stories imbued with the pain as well as the joy of relations between parents and their sons, and the anxieties of adolescence. Printed Pages: 336. Size: 7" x 9".
