

Sybil: Or, the Two Nations (Paperback)

Filesize: 2.07 MB

Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

SYBIL: OR, THE TWO NATIONS (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Benjamin Disraeli, (1804 - 1881) was a British Conservative politician, writer and aristocrat who twice served as Prime Minister. He played a central role in the creation of the modern Conservative Party, defining its policies and its broad outreach. Disraeli is remembered for his influential voice in world affairs, his political battles with the Liberal leader William Ewart Gladstone, and his one-nation conservatism or Tory democracy. He made the Conservatives the party most identified with the glory and power of the British Empire. He is as of 2014 the only British Prime Minister of Jewish birth. In the 1840s Disraeli wrote a trilogy of novels with political themes. With *Coningsby; or, The New Generation* (1844), Disraeli, in Blake's view, infused the novel genre with political sensibility, espousing the belief that England's future as a world power depended not on the complacent old guard, but on youthful, idealistic politicians. *Coningsby* was followed by *Sybil; or, The Two Nations* (1845), another political novel, which was less idealistic and more clear-eyed than *Coningsby*; the two nations of its sub-title referred to the huge economic and social gap between the privileged few and the deprived working classes. The last in Disraeli's political novel trilogy was *Tancred; or, The New Crusade* (1847), promoting the Church of England's role in reviving Britain's flagging spirituality.
