Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Spencer Cohen is the guy who gets answers to relationship questions. Playing the role of the new lover, his job is to make his client's ex realise one of two things: he doesn't want to break up or he really does. Either way, his client gets answers. The ex would either apologize and beg, or turn and walk. But in the end, Spencer's client won. If he wanted his ex back and got him, it was great. If the guy walked away, then as hard it was for the client, he knew it was over. Regardless of the outcome, Spencer's work was done. Andrew Landon's ex left him without so much as an explanation. But his sister can't stand to see him miserable, so, much to Andrew's dismay, they hire Spencer to be Andrew's new boyfriend to get the ex back. For Spencer, it is never personal. Merely a business transaction. No emotions, no strings, no complications. Yeah right. Even a blind man could see how this would end.
