Reviews

It is an awesome book that we have possibly go through. It is actually written in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

MY TALL HANDSOME (PAPERBACK)

Brain Mill Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When the cutie-pie was opened, the birds began to sing, and what they sang was glittery and savage and fearless and dangerous--be careful with this book. --Catherine Wagner, author of Nervous Device The fanged fairy of Emily Corwin's forest-mud-stained collection asserts and sings with short rhymes and glitter-spells, and just as you've followed her into the deepest and darkest part of the woods, terrified, you're asked to run away together / and promise to never / do this heart-skipping thing / with anyone else. Don't be surprised when you find yourself answering yes, yes, yes. Confronting and darling, every word a perfect warm circlet of pink blood, My Tall Handsome raids every crystal jar on the lace-topped vanity for truth, poison, and song until you can't remember why you ever thought pretty was better than powerful, sugar was better than bitter medicine, or dancing needed more music than your own voice. I sip the goblet down, tip it upside down / wear it as / a hat / I am a new shiny thing / and I steal you away from the hoopla hullabaloo rumpus You won't resist this kidnapping into the orchard, into the crabapple abracadabra--it is too crystalline a taking, and there are too many delicious chants to chant along the way.
