Brand New Book ***** Print on Demand *****.Excerpt from Birds and Nature, in Natural Colors, Vol. 1 of 5: A New Edition, Page Plates of Forty-Eight Common Birds by Color Photography, a Guide in the Study of Birds and Their Habits The first of the 82 parts of the original edition of Birds and Nature was published January, 1897, and at once took first place among the works on Nature Study. Volume I reached a sale of more than fifty thousand copies. In December, 1904, 16 volumes with 648 color plates had appeared and twenty-five thousand complete sets sold. The text plates were destroyed and the work has been out of print for several years. So this is not a revised edition, but a new edition, by writers of authority on birds, their foods, habits, their economic value; also the little good and much harm the very few birds do. The color plates are the best that can be made; they were awarded the Grand Prize at the Paris Exposition in 1900 and the Gold Medal at the Worlds Fair, St. Louis, 1904. The...
