

Flushed: How the Plumber Saved Civilization

By W. Hodding Carter

Atria Books, United States, 2007. Paperback. Book Condition: New. Reprint. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.When we consider the everyday amenities that really make a difference in our well being and happiness, surely good plumbing must rank near the top. But rarely do we take the time to appreciate the engineering marvels that bring clean water into our homes with the turn of a tap and that take our waste products away with the flip of a lever. Flushed won't let you ever take plumbing for granted ever again - it will help you understand how clean water comes into your home and dirty water leaves it, and you'll never look at your toilet or kitchen sink the same way. A quirky and fascinating history of plumbing and water supply, Flushed takes readers across the centuries and around the globe, uncovering the secret life of the world's most under-appreciated amenity. Flushed also follows W. Hodding Carter's travels and trials as he attempts to understand the intricacies of the profession, past and present. Carter explores the oldest forms of plumbing in the world, takes us into the luxury...
