The Rule of Law and Other Essays (Hardback)

By Kenneth Jupp

Shepherd-Walwyn (Publishers) Ltd, United Kingdom, 2005. Hardback. Book Condition: New. 210 x 152 mm. Language: English . Brand New Book. Drawing on his fifteen years experience as a High Court judge in England, the author explores the concept of justice in seven essays. He acknowledges that definition is far from easy but argues that justice today tends to be confined within the phrase social justice , which is inextricably bound up with the remedies promoted by socialist governments - even the policies of right-wing governments in the West are to some extent based on socialist principles. If justice is a difficult concept, injustice is not - the media have no difficulty finding injustices to report every day of the week. If sufficient indignation is aroused, governments feel bound to take action, usually without first inquiring into the cause of the injustice. The result is that the new laws sooner or later breed additional injustice - two wrongs don t make a right . In search of justice, the author has turned to the scriptures, history, law, philosophy, science, government and political economy. The first essay examines how the English nation was shaped from the successive waves of invaders under the...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
