THE MUSIC OF RAZORS

Del Rey Books, United States, 2007. Paperback. Book Condition: New. 206 x 140 mm. Language: English . Brand New Book. In nineteenth-century Boston, a young doctor on the run from the law falls in with a British confidence artist. Together-and with dire consequences-they bring back to the light something meant to be forgotten. A world away in London, an absent father, haunted by the voice of a banished angel, presents his daughter with an impossible friend-a clockwork ballerina. For two centuries, a bullet-removal specialist has wielded instruments of angel bone in service to a forgotten power . . . and now he vows to find someone else to shoulder the burden, someone with a conscience of their own, a strong mind, and a broken will. For a hundred years he has searched for the perfect contender, and now he has found two: a brother and a sister. Walter and Hope. Either will do. Last night something stepped from little Walter s closet and he never woke up. Now he travels the dark road between worlds, no longer entirely boy nor wholly beast, but with one goal in mind: to prevent his sister from suffering the same fate as he. Only the creature he has become can save Hope. But is it too late to save himself?.
