

## Handbook of Oil Politics (Paperback)

By -

Taylor Francis Ltd, United Kingdom, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. These days, one would have a difficult time picking up a newspaper, or watching a newscast that did not have a lead story dealing with some aspect of oil. From instability in the Middle East, to stock market crashes and concerns over the health of the world economy, to wars that seem to break out unexpectedly around the world, to discussions of global warming, and even speculation over the fate of mankind, oil is usually lurking somewhere in the background. To many, oil markets and their linkages to a whole spectrum of events remain something of a mystery. Unfortunately, most of the easily obtained information on oil is deeply flawed. Whole web-conspiracy sites depict ruthless insiders and reckless dictators manipulating energy markets at will. The 30 essays in this volume, written by the leading experts in the field, attempt to set the record straight. While their assessments may lack the sensationalism of many popular pundits, serious readers will find their insights invaluable in the years to come in providing a framework for understanding many of the events of the day. The volume is divided...
