What could possibly go wrong When a young eighteen year old man appeared at their door, their whole world was turned on its head. Though Mark at first couldnt see anything unusual about the teenager, the minute Steve set eyes on Alexander Lehman, he knew he was a Richfield clone. Mark had an illegitimate son, one as sensual, gorgeous, and mischievous as himself. As Steve and Jack struggle to come to terms with the younger version of the hot model they fell madly in love with, Alexander becomes infatuated with the handsome cop, making life unbearably complicated and miserable for Mark. With the new addition to their household, Mark and Steve take a crash course in the lessons of fatherhood, all of them learning right from wrong the hard way.
