Lesson Ladder Inc. Paperback. Condition: New. 200 pages. Dimensions: 9.1in. x 6.1in. x 0.6in. Potty Training a toddler, and finding an approach that works, can be as daunting a process for a parent as getting through an entire book. That is why Lesson Ladder has released a simple, user-friendly, yet pragmatic guide to help a parent or guardian through the sometimes challenging process of potty training. And because not every child or parenting style is the same, this book shares the nuts and bolts of vetted potty training techniques and a wide range of solutions for fast reading and, even faster results! This book includes many helpful features to help parents accomplish this important developmental milestone: readiness checklists built to help you determine whether or not your child is emotionally and physically ready to begin potty training, a handy supplies checklist to help you get your potty training adventure underway, Quick Tips, and Parent Point-of-View vignettes. Because training your child takes patience, chapters have been dedicated to helping you adopt the right mindset so the groundwork can be laid for a successful transition to big kid underwear. The book also integrates tips, pointers, and examples to help answer common questions, address setbacks, and conquer special situations that can cause stress for both parent and child. Rest assured: With a little love, and a lot of practice, you and your child will have a system established (that works!) in no time. This item ships from multiple locations.
