Reviews

This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.

(Adan Fritsch)

SUPERNOVA (PAPERBACK)

Random House USA Inc, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. C. A. Higgins s acclaimed novel *Lightless* fused suspenseful storytelling, high-caliber scientific speculation, and richly developed characters into a stunning science fiction epic. Now the dazzling *Supernova* heightens the thrills and deepens the haunting exploration of technology and humanity--and the consequences that await when the two intersect. Once *Ananke* was an experimental military spacecraft. But a rogue computer virus transformed it--her--into something much more: a fully sentient artificial intelligence, with all the power of a god--and all the unstable emotions of a teenager. Althea, the ship s engineer and the last living human aboard, nearly gave her life to save *Ananke* from dangerous saboteurs, forging a bond as powerful as that between mother and daughter. Now she devotes herself completely to *Ananke* s care. But teaching a thinking, feeling machine--perhaps the most dangerous force in the galaxy--to be human proves a monumental challenge. When *Ananke* decides to seek out Matthew Gale, the terrorist she regards as her father, Althea learns that some bonds are stronger than mortal minds can understand--or control. Drawn back toward Earth by the quest, Althea and *Ananke* will find themselves in the thick of a violent revolution led by Matthew s sister, the charismatic leader Constance, who will stop at nothing to bring down a tyrannical surveillance state. As the currents of past decisions and present desires come into stark collision, a new and fiery future is about to be born. Praise for *Supernova* An enjoyable, hard science fiction adventure. --Cineline Higgins succeeds in expanding her universe and leaving the reader hungry to learn how her debut trilogy will end. --New York Daily News Riveting and thought-provoking. --Publishers Weekly Praise for C. A. Higgins s *Lightless* Gripping
