Reviews

Complete information for publication enthusiasts. I have go through and that i am confident that i will gonna go through once more again in the future. Its been printed in an exceptionally basic way and is particularly just following i finished reading through this book by which basically altered me, alter the way i really believe.

Shearsman Books, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this generous assembling of work from the past ten years, the Anglo-American poet Robert Vas Dias explores meanings and resonances inherent in art and the suggestive implications of objects which both make up the quotidian and help to define us. This is a poetry of domestic tranquillity as well as chaos, of the absurd and the numinous, of the serious and comedic. Vas Dias is the author of eight poetry collections in the USA and UK, and has edited or co-edited four literary journals—two in the USA and two in the UK. His poetry and criticism have appeared in about 100 magazines and journals, as well as in a dozen anthologies. His most recent collection was *Leaping Down to Earth*, 2008, with images by Stephen Chambers and Tom Hammick. He is a tutor with The Poetry School in London and editor-publisher of Permanent Press.
