Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Happily swimming in a fish bowl, swam a goldfish. However, this particular goldfish was no ordinary goldfish. This goldfish was an autistic savant goldfish. Yes, an autistic savant goldfish. Not only was this goldfish an autistic savant, it also believed it was a mutation. A mixture of human and halibut DNA, with a neurological condition known as Asperger syndrome. Badot was its name. Badot also had an alter ego called Avatrol. They were very unusual, and very strange indeed. Then, one day, something peculiar happened.
