Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The 3rd book in the series -- Deeper Now -- takes a greater plunge into dark erotica while also exploring dark lore and myth. The idea behind the book is similar to the first two: finding inspiration from tragedy. and embracing the previously hidden aspects of ourselves. The writing provides a reflective interpretation. In other words, you will perceive the message of the poems as being positive or negative depending on what is going on inside you.
