Lisa Parry Arnold, United States, 2014. Paperback. Book Condition: New. 229 x 188 mm. Language: English . Brand New Book ***** Print on Demand *****.In 1675, George Fox, the founder of the Religious Society of Friends (Quakers), devised a system of record-keeping, which is both meticulous and extensive, and has continued for over 300 years. Meeting records kept by the Friends are rich in detail and those searching for Quaker ancestors can expect to discover a wealth of information in them, as soon as they learn how to use them. The early Quakers had characteristics and a manner of speaking which were quite their own and maneuvering through the records requires special research insights. Now, for the first time in over 25 years, a book has been written which acquaints Quaker researchers with the intricacies of meeting records. And for the first time ever, it was written by someone who understands the Quakers, so researchers are introduced not only to the different record types and the most effective use of those records, but to the Quakers themselves. The author is a 10th generation descendant of multiple lines of Quakers who came to the colonies in the earliest years. She has lived the life of a Quaker, is a professional genealogist, and now shares her insights with those searching not only for the names of their Quaker ancestors, but for the back stories as well. Learn why the Quakers disowned their members for infractions yet still welcomed them to worship rather than shunning them - which was the common practice in other religions. Ever heard of the Underground Railroad - guess who most of the conductors were? Why did they risk life and limb to buy and free slaves? What about the Quaker refusal to bear arms - how did they...
