

Testosterone Dreams: Rejuvenation, Aphrodisia, Doping (Paperback)

By J. Hoberman

University of California Press, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Testosterone has inspired dreams - of restored youth, recharged sexual appetites, faster running, quicker thinking, bigger muscles - since it was first synthesized in 1935. This provocative book investigates the complex, bizarre, and sometimes outrageous history of synthetic testosterone and other male hormone therapies. Exploring many little-known social arenas - both inside and outside the medical world - in which these substances are becoming increasingly available and accepted, Testosterone Dreams examines the implications and dangers of their use in professional sports, in the workplace, in our sex lives, and beyond. Testosterone Dreams tells the story of testosterone's growing and sometimes concealed influence in our culture over the past 70 years. It explores such controversial topics as the invention and marketing of the male menopause, the disturbing history of hormonal and other medical treatments aimed at boosting or suppressing women's sexuality, and hormone doping in sporting events such as the Tour de France and the Olympics, and in Major League Baseball. It brings to light the hidden use of hormone doping by policemen, soldiers, and other workers in a variety of jobs. It...
