THE PEACOCK ANGEL: RISE OF THE DECARCHS (PAPERBACK)

Outskirts Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.On a very unordinary day in the spring of 5799 BC, the archangel Raphael subdued a great evil and imprisoned it deep below the sands of a forgotten desert, thus ending an age of chaos and freeing humanity from the yoke of sin.almost. There is always a gray area . . . even in heaven. Azazel, father of the Magi and bane of the ancients, has somehow escaped from his desert purgatory after nearly eight thousand years. He is hell bent on propagating a race of giants to spoil the Earth, and hidden below the rock of a mountain his army is growing. First, however, he must destroy the one destined to stop him, and thanks to an obscure and antiquated text, he knows exactly where to start. Something is coming to kill Thane Connally, an angel told him so. The young prison guard, shaken after his encounter with powers both dark and supernatural, is at first reluctant to embrace his role as a pawn of prophecy. Only after learning certain ineffable truths from Armaros, a disgraced seraph striving for redemption, does Thane begin to realize he is the principal character in a feud that predates recorded history. Only together can Thane and Armaros, along with a benevolent giant, a confused demon, and a small group of other improbable allies, hope to thwart Azazel and his minions. If left unchecked Azazel s madness could unravel the very fabric of humankind and trigger the unbegotten. Blending Jewish folklore, the apocrypha, and ancient oral tradition, The Peacock Angel is a thought-provoking tale of an ordinary young man plunged into extraordinary circumstances with the fate of the world lying somewhere in the balance.
