THE GOSPEL OF JOHN (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Gospel of John The Gospel of John is perhaps the best loved and most frequently read of any of the gospels. Recent scholarship has thrown much light upon the authorship and purpose of this gospel and the part which it played in the developing thought and life of the early Christians. Investigation, although modifying some current views of this gospel, has added greatly to its value as a Christian document. It is one of the Outline Bible-Study Courses prepared by the American Institute of Sacred Literature, twelve similar courses being mentioned on a preceding page. This course follows the general method of all the series, giving a daily assignment for reading from the Bible, but requiring no books of reference. Any person paying fifty cents for this book to a dealer, the publishing agents, the University of Chicago Press, or to the headquarters of the American Institute of Sacred Literature directly or through the leader of a club is considered thereby a member of the Institute and may register his name as such by mail at the headquarters, the University of Chicago, without further charge. Upon application, question sheets containing all the review questions printed in this book, with spaces for written answers,...
