

A Complete Introduction to the World of Web Design: A Visual Approach (Paperback)

By Haider Syed

Lulu.com, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Complete Introduction to the World of Web Design: A Visual Approach is a book aimed particularly at beginners who want to learn web designing step by step. However, it won't fail to enthrall even the somewhat more advanced user or even the expert, by supplementing or refining their knowledge. To accommodate this versatility, this book is divided into two sections; the first one focuses on teaching you how to use HTML to create your own web pages and the second one covers somewhat more advanced topics such as: Javascript, Search Engine Optimisation, Designing Logos and Titles, FAQs and much more. Furthermore, this book's intended audience also encompasses educators, teachers and instructors at schools, universities and other technical institutions who are looking for a book on web design to complement their course material or to serve as a main course book. A student interested in web design will also find it to be a useful addition to his reference library.
