Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Moral Theology of the Church of Rome, Vol. 3 That S. Alfonso Maria de Liguori s Theologia Moralis is the latest exponent of Rome s moral system we have already made clear. We have shown that S. Alfonso was beatified and canonized so late as the year 1839, that the Sacred Congregation of Kites examined his System of Morality twenty times, and agreed, with concordant voice, with unanimous consent, with one voice, and with one mind, that it contained nothing to be censured. We have shown that an authoritative document, issuing from the Sacred Penitentiary in 1831, decreed that the opinions professed in the Blessed Alfonso s Moral Theology might with safety be followed and professed, on the ground that the Holy Apostolic See had declared that it found nothing in his works worthy of censure; and that the Cardinal Archbishop of Besanon required his clergy to adhere to the judgment of Rome by following and reducing to practice the opinions of the Blessed Alfonso de Liguori, all doubt whatever being thrown aside. But it appears that the beatification, canonization, commendation, approbation, ratification, and sanction, have not been sufficient to persuade some of our readers that all members of the Roman Church are really tied to accepting his morality. Indeed, with respect to Englishmen who are members of the Roman Communion, we cannot wonder at a little kicking, and plunging, and tossing the yoke, when they find what they have to bear.
