Mechanical Appliances in Uterine Surgery (Classic Reprint) (Paperback)

By William Henry Baker

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Mechanical Appliances in Uterine Surgery By this aggravated case it will be seen how great an amount of damage may be done, and how much suffering caused, by the improper use of a mechanical appliance in this branch of surgery. But let it not be supposed that a less serious result may not sometimes follow the more careful adjustment of a pessary, even where the greatest attention is bestowed as to the proper introduction of the appliance and the most strict injunctions are laid down as to its subsequent use. This will be seen by the following. Case II. M. C. Presented herself at my clinic in New York during the month of December, 1873. She was twenty years of age, single, and had complained more or less since her arrival in this country, about a year previous. Her principal symptoms were constant pain in the back and down the thighs, and her extremely nervous condition. These, together with her inability to be much on her feet, incapacitated her for her work, which was that of a chamber-girl....
