Paperback. Book Condition: New. Not Signed; Space Hoppers is a brand new series of hilarious sci-fi fiction from popular author, Tommy Donbavand. Set in the year 2281, Space Hoppers follows the adventures of special agents Dan Fireball, Astra Moon and Volt as they patrol the universe, fighting crimes and chasing the Solar System's most notorious villain, The Geezer! With education now taking only a few short years, children from all over the Solar System are keen to enrol in the best possible schools - and they don't come much better than the one on Neptune. It's a nursery, school, college and university all in one. With speed learning classes in every subject, there's plenty of time for the students to kick back and party - which is exactly what Dan wants to do. But things quickly get old when The Geezer turns the clever kids into petulant pensioners. Can our heroes rejuvenate the pupils before they retire?. book.
