Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Time O day Time and the hour runs through the roughest day. - Macbeth. Gain we ask our friends to accept a copy of our Holiday Book, with our greetings for A a Merry Christmas. Our brief career as publishers has taught us the fascinations of the trade, so once a year we find it pleasant to lay aside our usual vocation and take a run in the fairy realm of children s literature. This Christmas we reach the fourth in our series of holiday books, and we trust that in this one we shall be able to bestow no less pleasure than has gone with our Singing Games, Virginia Maud s Birtlulay Party, and the Round of Birthdays. It may seem strange to some of our friends, that we, who are organized as a Trust Company, to deal with loans, mortgages, and moneys, should venture into so foreign a field as the nursery. But we aim in these little books to do something quite as worthy as the con ducting of a large trust business. We aim to produce something deserving of a permanent place in the children s library. Our book this year will be found in line with modern educational methods for little ones. In The Time o day we believe we have given to the kindergarten an attractive demonstration of one of ifs routine lessons, while children of a larger growth will, we trust, find in it an incentive to improve each shining hour.
